Town of Saugeen Shores

NOTICE OF PUBLIC INFORMATION CENTRE

Highway 21 Resurfacing Project – Southampton

October 14, 2025

The Town of Saugeen Shores has retained R.J. Burnside & Associates Limited to provide engineering design services for the planned resurfacing of Highway 21 (Albert Street, Railway Street, and North Rankin Street) from South Street to Craig Street in Southampton.

The Town will be hosting an in-person **Public Information Centre (PIC)** to present details of the proposed design and to provide opportunities for public feedback.

The resurfacing project will:

- Explore opportunities to improve parking in the downtown area.
- Review pavement marking strategies to enhance safety and travel options for all road users, including motorists and cyclists.

Community members, business owners, and stakeholders are invited to attend at any time during the session to meet with project team members and share their input.

Location: Southampton Town Hall, 201 High Street, Southampton, ON N0H 2L0

Date: Thursday, November 6, 2025

Time: 4:30 p.m. – 5:30 p.m. (Presentation at 5:00 p.m.)

Following the PIC, all presentation materials will be posted on the Engage Saugeen Shores website. For questions or further information, please contact:
