NOTICE TO RESIDENTS

Please be advised that water service to your property will be **temporarily interrupted** due to construction work taking place on Wellington Street.

Date: Wednesday, April 8th, 2026
Time: 7:30 a.m. – 6:00 p.m.
Location: Green Street (between Bruce Street & Wellington Street with potential of the outage area being extended to King St.)

This planned water service disruption is expected to occur within the timeframe noted above. Please be aware that the affected area *may* be increased to include up to King Street due to possible operational constraints with the existing underground infrastructure. Also, please be aware that unforeseen circumstances may arise that could extend the duration of the interruption.

Once water service has been restored, we recommend running your taps until the water runs clear.

We sincerely apologize for any inconvenience this may cause and thank you for your understanding and cooperation.
