NOTICE TO RESIDENTS

Please be advised that the water service to your property will be temporarily interrupted due to construction activities on Drummond Drive. A map outlining the affected area is attached for your reference. Properties highlighted in orange indicate confirmed service interruptions.

LOCATION:

- Residents impacted along this roadway are highlighted in orange on the attached map.
- #956 Bricker Street

DATE: Tuesday May 5th, 2026

TIME: 7:00AM – 5:00PM

As a precaution, we ask homeowners to complete the following:

- Turn off the water feed into your building. These valves are typically found in the basement.
- Disconnect any hot water tanks/heaters from their power source.
- When water service is restored, run your taps with cold water until the water is clear

We appreciate your co-operation and regret any inconvenience.

If you have any questions or concerns, please contact the Town of Saugeen Shores Engineering Services Division at (519)-832-2008 (ext. 146).
