NOTICE OF CONSTRUCTION

2026 Asphalt Resurfacing Program

Tomlinson Drive (Goderich Street to Wellington Street)

Project Overview

As part of the Town's ongoing Asphalt Resurfacing Program, this project will involve the milling and resurfacing of Tomlinson Drive from Goderich Street (Highway 21) to Wellington Street. The work is intended to extend the service life of the roadway, and address surface deterioration such as cracking and rutting.

The scope of work will include asphalt removal, placement of new hot mix asphalt, and localized road base repairs where required. Additional works may include adjustments to maintenance holes and catch basins, minor boulevard and driveway reinstatement, pavement markings, and traffic control measures.

Short-term lane closures and temporary traffic restrictions are expected during construction.

Project Timeline

- The project is expected to start on Monday June 8th, 2026, and be completed by Tuesday June 9th.
- The Project is expected to take 2 days:
  - Day 1: Asphalt removal, and base layer asphalt to be completed.
  - Day 2: Surfacing paving and asphalt Line painting to be completed.
- Normal working hours will be from 7:00 a.m. to 7:00 p.m., Monday to Friday.
- The work will be performed by Walker Construction.

Access and Road Impacts

- **Access to Tomlinson Drive** will be restored at the end of each working day**.**
- **Emergency Access** will be maintained throughout the project.
- **AWC/Plex/Municipal Office** will be accessed from Wellington Street.
- **Nuclear Innovation Institute (NII)** will be accessed from Wellington Street
- **Detour routes** will be established to redirect local traffic around the construction.

- **Pedestrian access** will be maintained throughout the duration of the resurfacing project.
