August 14th, 2026

NOTICE TO RESIDENTS

Please be advised that water service to your property will be **temporarily interrupted** due to construction work taking place on **Richard Crescent**.

Dates: Tuesday August 18th, 2026
Time: 7:30 a.m. – 5:00 p.m.
Locations: Robin Road (Bricker Street to Wellington Street), Bricker Street (Robin to Ashwell) and Ashwell Crescent (Bricker to Robin)

This planned water service disruption is expected to occur within the timeframe noted above. Please be aware that the affected area *may* be increased due to possible operational constraints with the existing underground infrastructure. If the disruption area is expanded due to these operational constraints, it is expected that Century Drive (Robin to Wellington) will be affected. Also, please be aware that unforeseen circumstances may arise that could extend the duration of the interruption.

As a precaution, we ask homeowners to complete the following:

- Turn off the water feed into your building. These valves are typically found in the basement.
- Disconnect any hot water tanks/heaters from their power source.
- When water service is restored, run your taps with cold water until the water is clear

Additional project information can be found on the Town's Engage Website:
https://engage.saugeenshores.ca/2026Roads

We sincerely apologize for any inconvenience this may cause and thank you for your understanding and cooperation.
